One combine exercise

The maximum duration of the exercise will be **2 minutes**. However, exercises with **2:30** will not have penalty.

Special requirements for **Groups**:

1 BALANCE and **2 DYNAMIC** groups elements selected from different **TOD FIG Age Group rows 11-16**.

In addition,

1 optional BALANCE element (3" STATIC HOLD) with value between 1-14 points and **1 optional DYNAMIC** element with value between 1- 10 points selected from the TOD FIG.

These optional Group elements may **not be on the same rows** as the compulsory elements chosen from TOD FIG Age Group 11-16, however they can be in different rows of the same table.

All Balance elements must be built on separate pyramids

Spanish national rules (youth)

Special requirements for **PAIRS**:

2 BALANCE and **2 DYNAMIC** pairs elements selected from different **TOD FIG Age Group rows 11-16**.

In addition, **1 optional BALANCE** pair element (3" STATIC HOLD) with value between 1-6 points) and **1 optional DYNAMIC** Pair element (with a value between 1 and 10 points) selected from **TOD FIG**

These optional Pair elements cannot be found on the same rows as the compulsory Pair elements chosen from TOD FIG Age Group 11-16, however they can be in different rows of the same table.

Individual Elements

As a special requirement, both in Pairs and in Groups, gymnasts must also present in their exercise **3 individual elements**, performed simultaneously or in cascade and selected from TOD 11-16 or ALL FIG.

It is **mandatory** to perform at least one (1) **Tumbling element**.

No Individual element should have more than 10 values of difficulty.

It is **not** mandatory to perform **1 salto**.

Both individual and optional pairs or groups elements serve to meet the requirements special, but its value is not added to the difficulty of the exercise.
